6. RELEVANT ACADEMIC EXPERIENCE

6.1. TEACHING, APPRAISAL, SUPERVISION & SCHOLARSHIPS

6.1.1 Taught Courses

Over Eleven (11) years of teaching experience at PhD, Masters, Undergraduate and Diploma levels
Postgraduate {PhD and Masters} Courses Taught:

Postgraduate Courses Taught

Trends in Information Systems	Research Methodology
Enterprise Application Development and Architectures	Advanced Object-Oriented Programming
Object Oriented Analysis and Design	Advanced Cryptography and Security Analysis
Software Architectures and Emerging Issues	Machine Learning
Advanced Database Systems	

Undergraduate Courses Taught

Procedural programming	Programming with C#
Data Structures and Algorithms	Computer networks
Fundamentals of computing	Software Engineering
Systems Analysis and Design	Operating Systems
Object Oriented Programming	
Object Oriented Analysis and Design	Accounting Information systems
Logic Programming	Database systems
Mobile Application Programming	Computer Architecture

Programming languages: C, C++, PHP, Java, VB.NET, Prolog, C#, J2ME, JavaScript, XDK. Python

Environments: Custom Software Development, Mobile App Development, Web App Development

6.1.2. Appraisal performance and Commendations

- ❖ Vice Chancellor's Commendation during the 1st MMUST Gala Dinner and 2015 Awards Ceremony-1st December 2015, MPH, MMUST
- ❖ Typically, 70% - 90% performance as evaluated by students, MMUST
- ❖ Staff performance appraisal has been Exceeds Expectations year-by-year, MMUST

6.1.3. Scholarships

C. Ag. Dean, Deputy Principal (Academic and Student Affairs), Kaimosi Friends University College (1st July 2019 to 19th July 2019)

Duties/ Responsibility

1. Articulating and Implementing the Mission and Objectives of the Division Convening and Chairing Deans Committee Meetings
2. Promoting and maintaining a conducive working environment within the Division Promote Research and partnership
3. Managing Academic Programmes in the Vision as required by Senate
4. Supervising and Appraising the performance of academic and other staff in the Division

Some of Achievements

1. Developed Policy on Teaching, Marking and Invigilation- Approved by Council
2. Developed Postgraduate policy and guidelines- approved by UCAB and Council
3. Developed Examination management guidelines, KAFUCO- Approved by UCAB and Council

D. Ag. Dean, School of Computing and Informatics, Masinde Muliro University of Science and Technology (3rd January 2017 to January 2019)

Duties/ Responsibility

- a. Articulating and Implementing the Mission and Objectives of the School Convening and Chairing School Board Meetings
- b. Represent the School of Computing in the Deans Committee, Senate and other Boards of the University as required
- c. Promoting and maintaining a conducive working environment within the School Planning and Budgeting for the School
- d. Preparing School of Computing and Informatics reports
- e. Overseeing Examinations as Chief Examiner in the School
- f. Managing Academic Programmes in the School as required by Senate
- g. Supervising and Appraising the performance of academic and other staff in the School Making recommendations with respect to discipline, probation, advancement, and promotion of academic staff within the School

Some of Achievements

1. **Initiated & Developed New Academic Programmes:**
 - a. MSc in Computer Science Degree - **Senate Approved November, 2018**

- b. Draft Bachelor of Science in Computer Security and Forensics - **Senate Approved November, 2018**
- c. TVET Diploma programmes and enlisted for 2019/2020 KUCCPS Intake: Diploma in Software Development and;
- d. Diploma in Technology in Computer Systems - Approved by Senate and TVETA
2. **Developed** Short Courses approved by SOLACE Board namely:
 - a. Certificate in Project management;
 - b. Certificate in Data Analysis and Presentation;
 - c. Certificate in Mobile Application Development;
3. **Developed** Draft Postgraduate Programmes:
 - a. MSc in in Information Systems and;
4. **Established** a working Memorandum of Understanding (MOU) between University of Nairobi-School of Computing and Informatics and MMUST-School of Computing and Informatics and County Government of Kakamega-CHMT
5. **Chaired a Senate Committee** in Writing Report that led to Restructuring of the Directorate of Postgraduate Studies (DPS), ODeL and SOLACE for Effective and Efficient Service delivery
6. **Developed** School of Computing and Informatics 2016-2020 Strategic Plan
7. **Initiated & Developed** proposal creating Research Group known as “**Software Incubation Research Group**” – SIRG’17 and became the first Chair of the Research Group
8. **Revised Curriculum** for Bachelor of Technology Education (Computer Studies) and Approved by Senate on 13th January 2017.
9. **Involved** in the recruitment of Prof. John Gallagher (from UK) as Adjunct Professor of Computer Science and other adjunct Professors

E. Chairman, Department of Computer Science, Masinde Muliro University of Science and Technology (21th August 2014 to 2nd January 2017)

Duties/ Responsibility

- Articulating and Implementing the Mission and Objectives of the Department Convening and Chairing Departmental Board Meetings
- Represent the Department in the Faculty, School, Institute, Centre or Board, Senate and other Boards of the University as required
- Promoting and maintaining a conducive working environment within the Department Planning and Budgeting for the Department Preparing Departmental reports
- Overseeing Examinations as Chief Examiner in the Department
- Managing Academic Programmes in the department as required by Senate
- Supervising and Appraising the performance of academic and other staff in the Department
- Making recommendations with respect to discipline, probation, advancement, and promotion of academic staff within the Department

Some of Achievements

1. **Spearheaded** the Creation of School of Computing and Informatics (SCI) of Masinde Muliro University of Science and Technology.
2. **Developed Undergraduate and TVET Diploma Programmes:**
 - a. BSc in Information Systems and Knowledge Management for MMUST with first KUCCPS Admission (intake) in September 2016/2017 academic year.
 - b. Bachelor of Technology Education (Computer Studies) with first KUCCPS intake in Sept. 2016/2017
 - c. Diploma in Technology in Computer Systems with first intake in 2019/2020
 - d. Diploma in Software Development with first intake in 2019/2020
3. Ensured resumption of admission of MSc and PhD students in IT, at MMUST and currently has many postgraduate studies

- 4. Spearheaded Review of Existing Programmes** as per Commission for University Education Regulations and Guidelines:
- BSc in Computer Science and BSc in Information Technology,
 - Postgraduate programmes: MSc in IT and PhD in IT
- 5. Registered** MMUST as an Oracle Academy
- 6. Spearheaded** the recruitment of 3 Adjunct Professors in Computer Science: Prof. Patrick J. Ogao (Kenya), Prof. Sunday O. Ojo (SA) and Prof. Olugbara Oludayo (SA)
- F. Ag. Dean, Faculty of Science, Masinde Muliro University of Science and Technology (25th November 2014 to 28th November 2014)**
- Attend university meetings
 - Chaired 1st Ad-Hoc Committee Meeting organizing for the 1st International Conference to be held in 2015
- G. Ag. Chairman, Department of Computer Science, Masinde Muliro University of Science and Technology (12th July 2014 to 20th August 2014)**
- Attend senate meetings
 - Convening and Chairing Departmental Board Meetings
 - Represent the Department in the Faculty, School, Institute, Centre or Board, Senate and other Boards of the University as required
 - Promoting and maintaining a conducive working environment within the Department
 - Planning and Budgeting for the Department
 - Preparing Departmental reports
- H. Ag. Chairman, Departmental Graduate Studies Committee, Depart. of Computer Science (Jan. 2014 to August 2014)**
- Duties/ Responsibility**
- Chairing DGSC meetings
 - Board Member, School of Graduate Studies
 - Scheduling for DGSC board meeting by Liaising with Chairman, Computer Science Dept.
 - Organizing for graduate seminars during the period
- Some of Achievements**
- Organized three (3) departmental graduate seminars
 - 6 Phd students graduated and several masters students in July 2014 and Dec 2014 graduation.
- I. Secretary to Departmental Graduate Studies Committee, Depart. of Computer Science (March. 2013 to August 2014)**
- Writing Minutes of DGSC proceeds
 - Scheduling for DGSC board meeting by Liaising with Chairman, DGSC
- J. Coordinator, Research and Publications, Computer Science Dept. (March 2013 - August 2014)**
- Organizing for departmental seminars and workshops
 - Coordinating research work in the department including postgraduate research
 - Coordinating exhibitions by department
 - Organizing research publications in the department
 - Coming up with proper ISO procedures and documents to aid in effective processing of **postgraduate proposals and thesis, in the department.**

K. Member, Seminars and Workshops, Faculty of Science-MMUST (March 2013-to Nov. 2014)

- Organizing for seminars and workshops in the faculty of science
- Developing strategic plan for seminars and exhibitions in the faculty
- Assembling and disseminating research publications by the faculty members

L. Departmental Publication, Conference, Workshops and Exhibitions coordinator, MMUST (Feb. 2011 – Feb. 2013)

- Involved in organizing ICT conference at MMUST
- Organizing publications and exhibitions in the department

M. Secretary, MMUST Innovation Team (2012 to January 2014)

- Aimed at creating University short programs on innovation, Leadership and Professional development and ICT & Pedagogy

N. Departmental Examinations Coordinator (2010/2011 Academic year)

- Diploma and Certificate examinations where there was streamlining of overall examination processing in the department, MMUST

7. PROFESSIONAL AFFILIATIONS AND OTHER ACTIVITIES
